FRUIT TREE STOCKS

For grafting and budding purposes.

NOW is the time to think about your FRUIT TREE SEEDLINGS. Why not place your order now and have this part of your order taken care of. It won't be long until the Federal Horticultural Board's new quarantine against Imported Stocks will go into effect. If you have not used AMERICAN GROWN STOCKS better try some and see how nice they are!

AMERICAN GROWN

APPLE SEEDLINGS - The season has been favorable for growth and we have the promise of an excellent lot of strong, vigorous stocks. We have KANSAS, WASHINGTON, and COLORADO grown APPLE SEEDLINGS.

Dear Mother

I received your letter of the 10th and was glad to hear from you. I am well and hope these few lines will find you the same. I have not much news to write at present. I am still in school and will be home in a few weeks. I have not yet decided what to do for the future. I am thinking of going to college but I am not sure. I will write again when I have more news.
